

COLLEGE AND SIXTH FORM OPEN EVENTS 2023 - 2024

Here is your calendar of open events for local colleges. You will see that on some dates there is more than one event on, so please plan carefully. I have also emailed the dates in college order with links to the college website and virtual tours if there is one.

Occasionally colleges will make changes to the dates and times provided so please check the information hasn't changed before you make plans by checking the College website. You may also need to book a place on the events so please double check this too.

| Thursday 21 st March | Bury College 5.00pm – 7.30pm |

Things to note!

We recommend you apply to at least 2/3 colleges, so please visit all that offer the course you are interested in if you can. Some of last year's pupils who did this were very relieved as they had several back up options when they didn't get the grades they needed!

Even if you are considering an apprenticeship, please apply to college too as a back-up plan – better to cancel an offer than try and search last minute.

Please keep checking the bulletin and school website for updates as some colleges add in events if they are oversubscribed.

If you need any help with applications, please email Mrs Shamim/Dr Zakia.
